GAME CARDS & RPG BOOKS

GAME CARDS. RPG BOOKS. WE'RE ON IT!

ODT provides everything you need to create short-run products for your game lines, allowing you to open or expand revenue channels not possible with traditional printers.

Whether it's a prototype for a new card game, a short-run expansion for an existing game, or a new product that flexes ODT's unique capabilities, we're your one-stop shop!

Our quality speaks for itself and rivals the highest-quality offset printers, and best of all, we're in the USA!

WHY ODT?

- ODT has been an industry leader and innovator in digital printing and document delivery for more than 16 years
- Quick turnaround – only 10 business days for production
- We put customer service first. Have a problem? We'll solve it!
- Centrally located in Kansas City, we ship 3-Day Ground to anywhere in the continental US (drop ship is also available)
- Our short-run capabilities mitigate your need for inventory – no book or card set ever needs to be out of print again
- This same capability allows for the creation of prototypes, playtest sets, and even whole product lines that were not commercially viable in the past
- Our processes open new game design and marketing opportunities, allowing for customization all the way down to the customer level
